To whom it may concern

Testimonial for: Pope Plant

We employed Pope Plant as earthworks contractor on our North East Bexhill Gateway Rd contract between June 2014 and February 2015. In addition we hired operated plant to carry out drainage installation works.

We have been very impressed with the performance of Pope Plant, they are always willing to 'go the extra mile' to ensure a job is done well and to our satisfaction.

Their plant is well maintained and fully compliant, and their drivers are both experienced and helpful.

I would have no problem recommending Pope Plant to anyone requiring similar work to be done

Yours Sincerely

Rupert Blake

Project Manager
