To whom it may concern:

I have been asked to provide a reference for Pope Plant so the any future employer of this company may have reasonable assurance of performance and standard of work.

I can confirm that Pope Plant have undertaken numerous projects on behalf of Biffa Waste Services Ltd and without exception have produced a high standard of work within critical time scales and without compromise to health and safety requirements.

Pope Plant has undertaken a number of projects of particular complexity and weather adversity whilst keeping budgetary requirements in sight and maintaining an understanding of the clients needs. Any future employer of this company will soon come to note their commitment and ability to complete a project within budget and without undue compensation events.

Yours Faithfully,
On behalf of Biffa Waste Services

Andy Coleman
