To whom it may concern

Pope Plant have been Known to Cory Environmental since 2008, in which time Craig has carried out various earthwork contracts on a price and day work basis. These include

Greatness Landfill

Cell 5 excavation and clay engineering tendered 2008

Cell 5 remediation day work 2009

Cell 3 + 4 waste re-profiling day work 2009

Cell 7 excavation tendered 2010

GCL capping and restoration tendered 2010

Cell 7 clay engineering and drainage tendered 2011

Barling Landfill

Clay capping and restoration day work currently in progress 2011.

Pope Plant Ltd are continually asked back to tender as on site issues are dealt with effectively and fairly without any claims being submitted as Craig does NOT work on a claims basis.

The work is always carried out to a high standard on time and budget with a 100% Health and safety record. Furthermore Craig is who we always deal with takes ownership of the work and keeps us informed of issues which are always sorted to the best interest of all concerned.

We will, given the correct circumstances engage Pope Plant Ltd in the future.
