To Whom It May Concern

Ref: Pope Plant Ltd.

This letter of reference is to confirm that Pope Plant Ltd have carried out successfully a number of cell development projects and capping works at our Greatness Quarry , Integrated Waste Management Facility at Sevenoaks in Kent.

Pope Plant have proved to be a capable and effective contractor who have completed projects set by Cory Resource Management in a timely and efficient manner. Craig Pope (Director), has ensured that all the projects undertaken by his company have been met within budget and time constraints set by CERM. Any exceptional difficulties encountered during said works have been resolved in a amicable and mutual manner ensuring continuing good relations between client and contractor. If a potential employer of Pope Plant would like to view some of their recent work then please contact me direct to arrange a viewing at site (pstreek@coryenvironmental.co.uk)

As site and contract manager for Cory at Greatness IWMF, I am pleased to endorse Pope Plant as a sound and viable earth works contractor for any company undertaking similar works.

Yours faithfully
